My younger brother and
I are doing a **taster session**
for **free** today

First kendo
lesson

I've signed up for a
8 week beginner's
course

I learn so many
new things. I can
even count in
Japanese

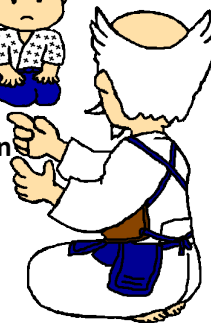

Kendo starts and ends
with meditation. **Girls
and boys** can do that

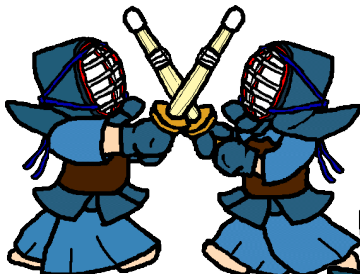

"men" ???

Today, we learn
how to strike
"men"

I finished my
beginner's course
with a certificate.
Now I **practise kendo**
regularly and pay as I
go. 3£ per lesson

We always practise
kendo very hard
from **9.30-11.30 am**

I'm going to a
competition
